

DIY

BIRD HOUSES

MATERIALS NEEDED:

- AN INEXPENSIVE PLAIN BIRDHOUSE FROM ANY HARDWARE OR CRAFT STORE.
 - DIFFERENT COLOR MOSS
 - SILK FLOWERS
- SMALL STONES, GEMS, OR SHELLS
- OUTDOOR PAINT COLORS (WHATEVER YOU WANT)
 - PAINT BRUSHES
 - GLUE GUN
 - GLUE STICKS
 - BIRDSEED

FROM YOUR YARD:

- SMALL STONES
 - BARK
 - STICKS
 - ACORNS
- PINECONES (SMALL)
 - LEAVES

DIRECTIONS:

PAINT THE BIRDHOUSE IF YOU LIKE IN ANY WAY YOU WISH.

GLUE THE BARK ON ALL FOUR OF THE SIDES FIRST, AND THEN FILL IN THE GAPS WITH MOSS, STICKS, STONES, AND ALL OF THE THINGS YOU GATHERED FROM YOUR YARD OR FROM THE STORE!

THE KEY IS TO BUILD AND LAYER THINGS. IF YOU HAVE A GATHERING OF STONES GLUED IN THE CORNER, ADD IN A LITTLE FLOWER TO FILL THE GAPS. THERE ARE NO MISTAKES AND YOU CAN ALWAYS LOOK ONLINE FOR INSPIRATION!

MAKE SURE THE BIRDS HAVE A LITTLE LEDGE TO STAND ON WHILE EATING.
